BEFORE THE AUCTION

The terms and conditions under which the buyer acts at a sale are detailed at the back of this catalogue. We recommend that you read and understand these conditions of business before registering to bid at an auction. This sale is subject to the conditions of business printed in this catalogue and to the reserves.

VIEWING

All lots are available for inspection prior to the sale. Although staff will endeavour to answer your enquiries, and give advice, the final decision to bid, is at your discretion and liability.

PRE-SALE ESTIMATES

The estimated prices printed below the catalogue descriptions are in New Zealand dollars and are the approximate prices expected to be realised, excluding buyers premium. They are not definitive, they are prepared well in advance of the sale and they are subject to revision.

CONDITION REPORTS

Dunbar Sloane Ltd will provide a verbal condition report if you would like an opinion on any particular lot prior to purchasing. All goods are sold "as is" and it is up to the buyer to satisfy themselves as to the condition of an item before the auction.

THE AUCTION

Registration

To bid at the auction you will need to register for a bidding number at the front desk either during the viewing or prior to the auction.

Buying at the Auction

Please bid clearly and promptly using your bidding number. When you successfully purchase a lot the auctioneer will ask you for your number, and this will show on your invoice.

Approximate Selling Rate
